## Year 6

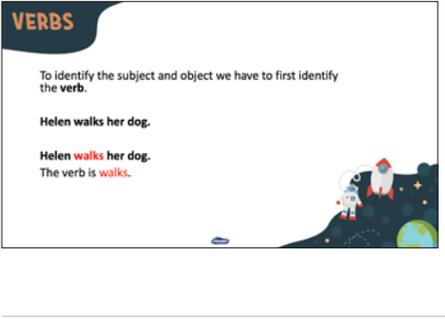

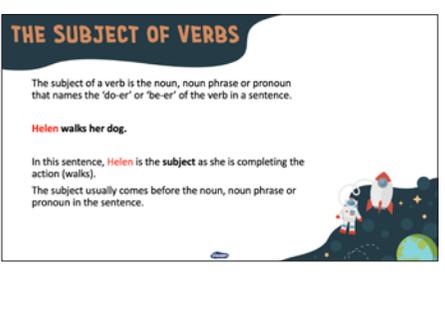

# TEACH: Subject and Object

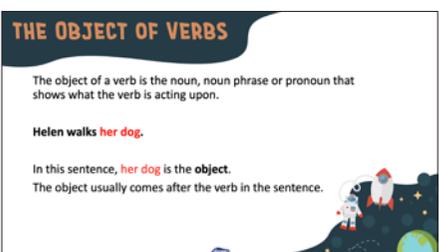

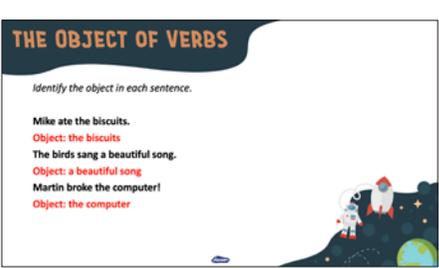

These resources will support you to teach the subject and object of verbs or to revisit this area of grammar. The teaching slides will introduce the subject and object in sentences, with opportunities for pupils orally to compose sentences containing the grammar taught. A short model text (an explanation) is provided for pupils to identify the subject and object of the verb within a sentence.

### Resources included

- › TEACH PPT Slides
- › Model Text: Shadows

*NOTE: 'Q' in the teaching points shows where a question has been identified that can be asked directly to the class.*
